*"It's About Fairness & It's About Time"*

The President of the American Bar Association (ABA), Mr. Robert Hirshon, is going to be in Monterey California, October 12th, 2002, celebrating the "Historic 75th Anniversary of the California State Bar", and he established an ABA Commission to investigate, in his words, the "Tyranny of the Billable Hour" and "How the Phenomenon has Decreased Attorney Job Satisfaction". Mr. Hirshon will also be giving a presentation entitled, "Beyond the Billable Hour" to his brethren attorneys.

*In plain English, fellow Americans, Mr. Hirshon is saying that attorneys are dissatisfied with charging us \$200.00/Plus an hour and are now plotting to charge us MORE MONEY...while working less. "Excuse me, but hold on a moment!"*

*.....Gene Forte, President of AttorneyBusters.com*
