Re: Possible Conflict?/M72599

Dear Mr. Hammerness:

I write this letter to inquire if your theory of "absolute judicial immunity" would apply to a intentionally erroneous ruling in the above case by Judge Robert O'Farrell?

Please let me know if you think a reasonable person would entertain a doubt that Judge O'Farrell might be biased and should be disqualified from being the judge in the above referenced case he is a defendant in?

You will find attached the assignment of the case from the Monterey Superior Court Website that went from Judge Grover in the late afternoon of March 14<sup>th</sup>, 2005, now to Judge O'Farrell as of March 16<sup>th</sup>, 2005.

The Good Old Boys and your client would be advised by Ms. Lilly Tomlin that, "It's going to get a lot worse before it gets worse!"

Thank you.

Sincerely,

Gene Forte
