To Whom It May Concern

May 6, 2005

Crystal Powser has been my clerk for over eleven years. She is a talented, resourceful, and extremely bright young woman who I believe would be an asset to any business. Her skills as a clerk are surpassed by none. She is quick to learn. Her loyalty to me throughout those years has been unquestionable. I would be more than willing to recommend her for any job. Please feel free to contact me directly at (831) 775-5429 or (831) 595-7299 if you have any questions.

Sincerely,

Russell D. Scott  
Judge of the Superior Court
